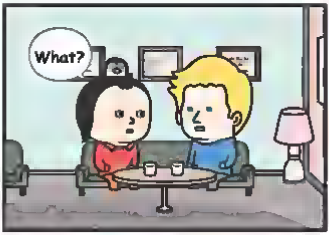
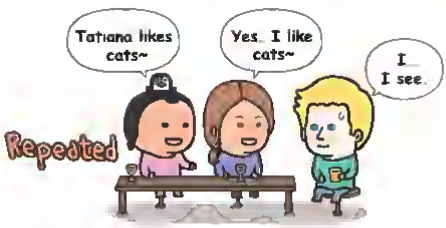
... Mev replied like I was stupid.



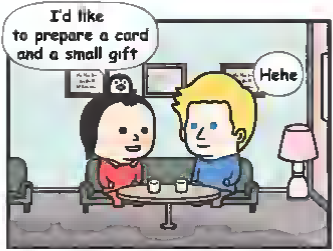
He was stupid.



Mev remembered that Tatiana likes cats..

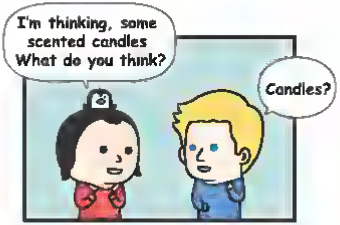
I thought that it would be cute but...

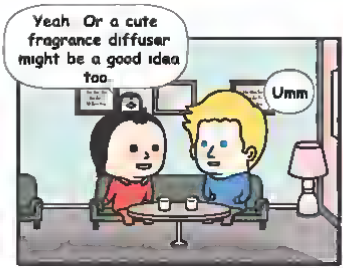
... It was risky in case it wasn't her style.



It's going to be the first gift
for my friend that I made by myself
in this country.

I wanted to buy something not too big but nice.





So I thought of a few options to chose from.

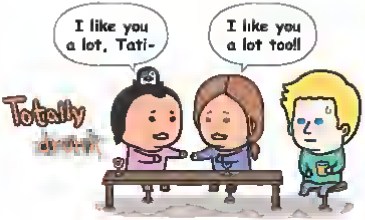
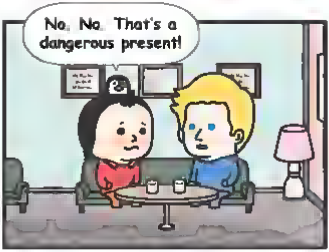
I recently had a chance
to introduce Tatiana to Mev.

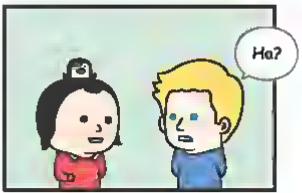


Over the last few months,
Tatiana and I have become
very good friends.
I'm always very joyful with her.

And her birthday is coming



So I said that it would be a dangerous choice but then...



... Suddenly, ...
